

Resilient Connecticut 2.0 Phase II

Regional Adaptation/Resilience Opportunity Areas

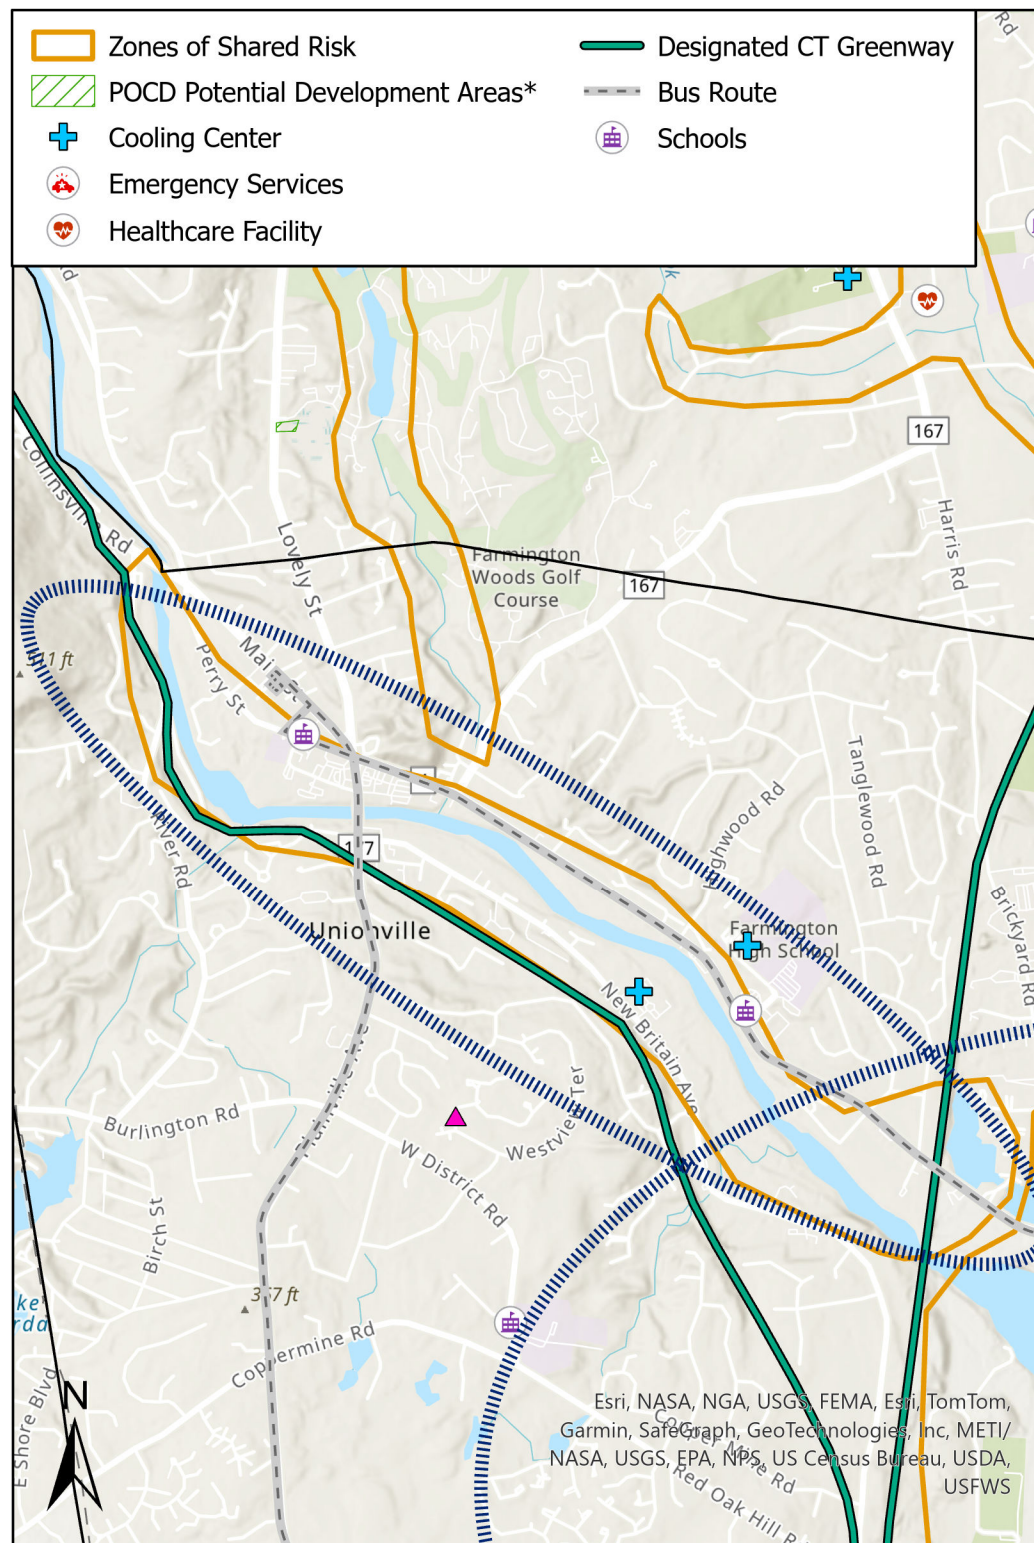

Name: Unionville and Farmington Avenue

Location: Farmington

Consideration	Characteristics of Area				
Flood Vulnerability	●	●			
Heat Vulnerability	●	●	●		
Social Vulnerability	●	●			

Unionville is a neighborhood in the northwest corner of Farmington, with the Farmington River running through it. This area is characterized by moderate flood, heat, and social vulnerability. There are multiple community and educational facilities in Unionville, all of which are in proximity to the Farmington River, as well as the Farmington River Trail. Some additional flood vulnerability is associated with Roaring Brook.

- Farmington High School
- Union School
- Farmington Senior/Community Center
- Farmington River Trail
